THE RATTLIN TAPPIT

Well fellow members what a great Run To Ashbourne, the rain held off giving us a perfect day to sit around and socialize or to do a lap of honor checking out the vehicles of the various clubs that were well presented to all. My thanks to all in attendance and to the many club members involved in making this day the success we all have come to expect.

My special thanks to all club members for their continued support shown to the committee as it progresses further into our strategic planning, with a mix of new and remodeled club activities with the upgrades necessary to secure the clubs future events and technology needs.

An observation from our last meeting was that we can't carry out our pastoral or welfare duties to our aging or unwell members if we don't know about if they are unwell, so please let us help us be of service to them with a helpful call to the club welfare officer.

As usual please let the coordinators of club events know of your attendance in a timely manner with prompt payment to secure your booking.

With Xmas not far away please enjoy with us our well planned festive events...not forgetting our Log Book Days in the new year.

Yours in Happy and Safe Motoring...Steve

IMPORTANT MESSAGE FROM DEIDRE SOLLY, CLUB REGISTRAR: LOG BOOK DAYS

In January Log Book Days are held for everyone on Historic Registration to have their Log Book endorsed for the next year ie 2022. Membership fees must be paid before 31st December 2020 as it is a requirement under the Code of Practice that you must be a member of a recognised car club to obtain Historic Registration. (I am required to inform DPTI of un-financial members within 2 months of the end of our membership year).

Due to our high number of vehicles on Historic Registration we need to hold several Log Book Days so we have allocated days alphabetically. I realise your allocated day may not suit so please come on one of the other days.

We do it this way as it is not possible to process 340 books on one day.

SATURDAY 15th January for members whose surname starts with D through to G

WEDNESDAY 19th January for members whose surname starts with H through to K

TUESDAY 25th January for members whose surname starts with P through to S

SUNDAY 30th January for members whose surname starts with R through to W

Log Book/s

\$2 if you require a new Log Book (issued for 3 years)

We will need three helpers each day. Please let Deidre know if you can help and on which day. Ph: 0422 078 127 or email <deidresolly@gmail.com>
