NEWSLETTER MARCH 2023

Chopper's Chatter

Hello fellow Members,

It's nice to be back on deck after recharging the batteries during our motorcycle, car, aeroplane, train, ship and coach holiday.

We were away for three weeks and missed a Cars and Coffee, a Committee meeting, a wonderful guest speaker in conjunction with the F.A.R.M.S. Group at the Clubrooms, and a run to Newmans in Langhorne Creek. It just goes to show what an active club we have and the many and varied runs and events which occur on a regular basis. Attendance has been excellent and it is pleasing to see existing and new members meeting on a regular basis.

As the year unfolds, we have some interesting functions and events coming up. I believe there is something for everybody and I know that your Events Team is working hard in the background to bring you fresh and exciting events where your "motoring of yesteryear" can be enjoyed and displayed.

Planning for the first of our public events for the year, the British Classics Tour, is well under way. We have secured the start point at McLaren Vale, and have a meeting this week with Victor Harbor Council where I expect Warland Reserve will be available for our finish as per previous years.

A lot of work goes into the planning and execution of public events and your help, either as an entrant or Marshall will be appreciated.

See you on the road.

A note from the Editor

Hello folks, just a quick advert from the editor! I am always on the look out for folks that would be happy to provide a 'Members Profile' piece for the Steering Column. The Member Profile section helps to introduce yourself to other members of your club. This can be easier than you might think and I am happy to offer my assistance if you need some hints and advice.

Separately, I am keen to take your feedback on your newsletter; what would you like to see included, what would you perhaps not include (meeting minutes will always be included), what you might change. Any feedback will be welcome.

You can talk to me directly at any of the meetings or events. I can also be emailed at editor@hmvc.org.au or contacted on 0412 959 380.

Cheers, Bruce McAndie
