MAY 2025

Running Board News

A warm welcome to all as we commence a busy start to the month of May, a time to enjoy the many activities the club has to offer....Historic Registration- Cars and Coffee- Car Runs- Motor Bike Runs- Club Meetings- Library Books gazetted to cater for all topics- Motor Vehicle Personnel to help With Your Historic Registration- Club Clobber- Guest Speakers-Quality Suppers- Gardening Days- Maintenance Days.

The Fellowship and imparting of information shared by all.

The opportunity for you to become a member of a dynamic committee that requires new participants with new ideas to keep us informed and aware of the required changes in our fast moving world.

Many Thanks to Bill Ellis And Doug Hill for an excellent talk about the Grant Process and Building of our Meeting Hall which Opened in May 2008 with the Toilet Block completed at a later date... Needless to say that these building activities would not have taken place if not for the foresight of our passed member David Kelsey with the help of the subsequent building committees, building volunteers, and the donations from a hand full of members that made the process possible... thanks to all for a job well done.

With The Hall And Kitchen Completed the Old Meeting Hall with New Windows and Shelving has been turned into an excellent Library under the watchful eye of Long Serving Librarian Leigh Blacket with newsletter production and photocopying facilities carried out and available for club requisites.

Yours in happy and safe motoring... Steve Hall. . President
