Choice of meals, bookings with prepayment required.

# Running Board News

G'day to those who attended our September general meeting, with Senior Police Constable Gareth Weeks in attendance delivering approved Traffic Marshall Training to those needing accreditation for the upcoming Rock and Roll Festival, whilst also providing an opportunity to fine tune the skills of those already qualified.

Please note Dates and Times for Log Book Renewal are being finalized with December the month to renew your Historic Registrations.

As the Rock & Roll Festival is coming up soon, 19<sup>th</sup>-21<sup>st</sup> September this is a callout for all hands on deck to support the club in this our biggest function of the year.

Please put The Ashbourne Picnic in your event calendar as this is now our memorial day event to remember those who have moved on to the big Highway in the Sky, a day to share in the Fellowship of Association as members of our Car Club.

Please note Slippery when Wet signage has been placed outside to remind all of the slippery nature of our external slate paving during the ongoing wet periods throughout the year.

In closing thanks to those who remained after the possible exit of the Crows Supporters, leaving those remaining a very filling supper, thankyou Ladies, job well done.

*Yours in Happy and Safe Motoring....Steve Hall ...President.*

## Application for Membership has been made by:

**Richard and Karen Hill** from Encounter bay. (Mercedes Benz)

**Ulrich Haug** from Currency Creek. (1958 BMW R50, BMW R75, BMW R90S, Triumph Thunderbird)

## REGISTARS'S REPORT

### **NB CHANGE OF LOG BOOK DAYS**

Log book days will now take place in **December**.

You will be notified of the dates soon as I work them out with the Assistant Registrars.

The reason for the change is log books can only be issued for 12 months, that is from January to December which is our membership year. We were allowing to the end of January but this month's leeway should not occur as then the logbooks are issued for 13 months.

We have had log book days in January for the last 20 plus years but rules and constitutions have changed over the years. It is a simple procedure to change from January to December as all normal administrative details will remain the same.

We will still need helpers on each log book day for issuing tickets at the door, stamping and recording. If you can help with this let me know which day once we have set the dates.

Further details to come.

**DEIDRE SOLLY**

# BUY and SELL Page

## **FOR SALE**
