# Running Board News

A warm welcome to all as we embark on the start of another year with new and hopefully interesting events and meetings planned for all to enjoy...the amount of enjoyment being measured by the amount of participation by each member as the year proceeds.

Our Valentines Day Run to Hindmarsh Island will be a day to certainly come along to and enjoy as Michael and the events team have planned a fun day with excellent food and fellowship to be enjoyed by all in attendance.

As mentioned at our February meeting we are well on our way with the revisions of the club rules and bylaws to combine them

all into one document taking out any duplicated and no longer required operational items.

For those in the club awaiting our elections please think about taking on a committee position whilst coming along to our meeting on the clubs future to be advised shortly.

I thank all club members who attended the recent funeral of Robin Puckridge ...a day filled with happy memories of a man with a big heart who lived life to its fullest with family and friends... no doubt already planning something in the sky highway.

In closing my special thanks to all on the Events Committee for their dedication and time spent on planning a well thought out year ahead.

*Yours in Happy and Safe Motoring...Steve Hall ..President.*

## REGISTAR'S REPORT

Well done to the members who turned up to one of the six logbook days in December especially those who had the correct paperwork (membership receipt and rego papers).

And a huge thankyou to all those who helped out with the writing, stamping and giving out tickets. Hopefully you have all read the information mailed out by Andy Moffat.

We still have several un compliant members. These people cannot drive their vehicles.

### HOW TO RETURN EXPIRED LOGBOOKS FOR CANCELLATION.

For those of you who have a logbook expiring Dec/Jan and have been issued with a new one for 2026. Post it to HMVC Box 610 Victor Harbor, bring it to a meeting or an event or drop it into my letterbox at 21 Marlin Terrace Encounter Bay.

I will cancel it and then get it back to you for your historic records.

Logbooks need to be kept for 5 years as they are a legal document.

Hope to see you all on our interesting and varied club runs.
