# Running Board News

A warm welcome to April an important time for all as we celebrate the start of the Easter celebrations over the long weekend.

A time to check on your neighbours, ring your mates for a chat, enjoy some family time or just get the car out of the shed dust it off and blow the cobwebs out of the exhaust pipes.

As discussed at our recent Monthly meeting the future club event runs will not be planned as long distant runs as we are all watching our dollars disappearing very quickly as we travel the savage journey of high fuel prices at the moment.

There are a large number of traffic marshal cards still to be collected by members who haven't attended a meeting for some time, please roll up and enjoy your club nights with your fellow members and visitors.

Our last event for the month our Observation run has been well planned by last years winners, with modifications to the route to shorten the run, ending at Glenbarr Homestead, Strathalbyn, where a BBQ and tour of this the homestead will take place.

Pease book as this will be an excellent day out with proceeds helping out the volunteer preservation of this important historical site.

Please don't forget the morning at the library, the cars and coffee and the motor bike run, all these events also allowing you to select the event for you for the month.

*Yours in Happy and Safe motoring... Steve Hall ..President.*

## CLUB CLOBBER AND REGALIA With Dorothy Price

### G'day Members.

Club events are well attended and the sheer volume of our numbers create interest in HMVC. Our teal and black Club Clobber looks good and is an impressive promotion for our club.

With winter approaching some members may like to purchase warm outdoor clothes for these events – so how about CLUB CLOBBER? I have listed below our club stock items.

Purchases can be made at the club on meeting nights – but if you would like something at short notice, or think you might need a special size, please contact me so that I can get it for you promptly.

Cheers, Dorothy Price Ph: 0414 666 030 email: ddgprice@outlook.com
