Running Board News

Thanks to all in attendance at our recent monthly meeting, a night enjoyed by all thanks to our guest speaker Ian Milne, a local high school teacher recently retired after 50 years. Also a person highly qualified in the activities of our local Marine life, an informative, interesting and learning experience with many questions fielded from the floor.

An update on the soon to be released Final draft of Club procedures was discussed with the upcoming Strategic Plan, discussions also on the agenda. A pity not one of the seven members who volunteered to be part of this process were in attendance.

The Events committee have plenty of activities planned, Coffee & Cars, Club Runs, Interclub Runs, Motorbike Runs, Library Days whilst not forgetting our Mothers Day Sunset Run on the horizon, enough to tire you out just thinking about it all.

For Those heading off shortly on the Federation Run, have an enjoyable time visiting new places, making new friends, or just catching up, we are looking forward to the lucky person you choose to report your outcomes to the club.

Thanks to Jan & Meg for the fine supper requiring a quick shop at late notice as the Harbor Bakery is undergoing renovations with none of the much appreciated supper donation available at this time. *Yours in Happy and Safe motoring...Steve Hall ..President.*

Applications for Membership have been received from:

JEFF'S JOKES

When I went to get my driver's license renewed, our local motor-vehicle registry was packed. The line inched along for almost an hour until the man ahead of me finally got his license. He inspected his photo for a moment and commented to the clerk "I was standing in line so long, I ended up looking pretty grouchy in this picture". The clerk looked at his picture closely. "It's okay" he reassured the man
"That's how you're going to look when the cops pull you over anyway".
