Running Board News

Welcome to the down side of this wintery time of the year, with no end in sight from the howling wind, rain, hail, fog and long periods of chilly starts and extremely cold days.....an excellent time to roll up to share the warmth and friendship at our library and monthly meetings.

The end of the year is soon to close with our AGM just over the horizon, a time to thank all club members for their continual support, with a special thanks from me to the hard working members that pull together as one...the elected

members that work for you...your club admin team...many thanks.

The year has seen members enjoy the small runs, the fun runs, the coffee and chats, club dinners, community events, new events and sadly the moving on to the big motorway in the sky of some of our much loved members...a great club to be a member of, to share to care and cherish in this short and busy life.

This month we have seen the completion of the club rules and standing orders compilation into one document, the important five year strategic plan ready for the new committee, the signing of our clubhouse lease with a sub committee formed to continue that process.

If there is anyone interested in being part of the admin team please come to the AGM... if you like hard work and enjoy seeing the pleasure that your fellow members receive at our meetings and events...your just the person the club wants and needs.

Yours in Happy and Safe motoring...Steve Hall ..President.

Applications for Membership have been received from:

David and Josephine Wilson from McCracken. With a 1973 Norton Commando motorbike.

Dominic Maselli also from McCracken. He brings a 1998 Alfa Spider.
