Running Board News

Welcome Members to the November Newsletter issue, a little late this time due to a long list of issues all requiring my attention at the same time.
On reading you will note that 50 plus of you will have enjoyed another delightful cars and coffee run to Finniss.

For those who ventured out to our November meeting, Guest Speaker and fellow club member Gary Davies presented us with an excellent presentation about the Bali car fabricator Tuxedo, with a visual follow up during supper, enjoyed by all.

As mentioned in the Federation minutes The Arthur Clisby run will now take place on the 26th September 2027 in an attempt to not clash with other club events, John Taylor noting that he will propose to Federation that we participate in the World Gentleman's Day in 2027 which promotes the use of classic vehicles.

Please don't forget to book in early for our annual Xmas Dinner at the Crown Hotel, Michael has gone to a lot of effort to put on this event with spot prizes and a game or to for your participation and enjoyment. Whilst celebrating don't forget to bring along that $10 a head to be part of our one night only sumptuous Xmas raffle in support of the Fleurieu Cancer Support Foundation Inc, the club also matching all monies raised on the night…Many thanks in advance.

Yours in Happy and Safe Motoring…Steve Hall …President
